A vibrant green, low-profile sofa with rounded armrests and a simple, clean design. It is positioned in front of a large window, and sunlight filters through the glass, casting soft shadows on the sofa's cushions.

A wooden side table with a natural finish, featuring a black top surface. On the table, there is a stack of white plates with black stripes, a small potted plant with green leaves, and a black and white striped vase. The table is on casters.

A small, portable electric heater with a black body and bright red metal legs. It has a handle on top and is positioned on the wooden floor in the foreground.

A large, floor-to-ceiling window with a dark frame, providing a view of a dense forest of tall evergreen trees. The window is partially covered by a light-colored, sheer curtain that allows natural light to enter the room.
